MEMORANDUM

TO: Memorandum to File

FROM: Lisa B. Driggins, Public Utilities Analyst II

DATE: August 8, 2014

SUBJECT: IN THE MATTER OF THE APPLICATION OF WILKERSON WATER COMPANY AND PRIME HOOK WATER COMPANY FOR A GENERAL INCREASE IN WATER RATES AND A REQUEST TO CONSOLIDATE PRIME HOOK WATER COMPANY INTO WILKERSON WATER COMPANY (FILED JULY 25, 2014)
PSC DOCKET NO. 14-0254

On July 25, 2014, Wilkerson Water Company and Prime Hook Water Company (collectively "Wilkerson" or "the Company") filed an application for an increase in water rates and to consolidate Prime Hook Water Company into Wilkerson. Staff has reviewed the application for compliance with the format and instructions as set forth in Part B of 26 *Del. Admin. C.* §1002 entitled Minimum Filing Requirements for All Regulated Companies Subject to the Jurisdiction of the Public Service Commission.

Prior to the filing of this application, the Senior Regulatory Policy Administrator had advised the Company that they would not be required to provide a system map with its application as outlined in 2.1.3. However, Staff intends to request the appropriate system maps during the discovery phase of this proceeding.

Staff has determined that, upon initial review and with the exception of the system maps, the application meets the requirements and there are no deficiencies requiring follow up from the Company.
